JOIN US FOR OUR ANNUAL OTEC LUNCHEON

Our luncheon at OTEC will feature an update from the ASHE National President, Richard Cochrane. In addition, the Great Lakes Region Project of the Year winners will be announced.

RICHARD COCHRANE, PE – ASHE National President

Richard Cochrane has served in the transportation industry for over forty years. He is a graduate of Penn State University, with both a Bachelor of Science degree in Civil Engineering and a Master of Public Administration degree. Mr. Cochrane has been an active member of ASHE since 1978.

Richard has over forty years of experience in the highway industry, with thirty-six years with the Pennsylvania Department of Transportation and an additional four years as a consultant engineer. During that time, he worked in research, planning, and construction administration. He has several publications dealing with various highway and bridge research projects. He now works part time for McTish, Kunkel & Associates, in Allentown, PA. He also remains active in the transportation field as a volunteer to several trail organizations, and is the Treasurer for the Anthracite Scenic Trails Association and organizes an annual Northeast Pennsylvania Trails Symposium.

Richard lives in Clarks Summit, Pennsylvania. In his spare time, he enjoys traveling, flying (as a private pilot) and riding a bicycle-built-for-two with his wife, Marie. He also serves the First Presbyterian Church of Clarks Summit as an Elder and Choir Director. He and Marie have two sons and four grandsons.
