JOIN US FOR OUR ANNUAL PROJECT OF THE YEAR LUNCHEON

The ASHE Central Ohio Section will recognize the outstanding work completed by members of the ASHE Central Ohio Section with the 2018 Project of the Year award. Submitted projects are judged based on their benefits to the public, complexity, innovation and unique features, and aesthetics and sustainable features. Awards will be presented to the winners of the over \$5 million category, the \$5 million and under category, and in the Peer's Choice category.

You'll have a chance to meet the owners, contractors, and engineers that were responsible for some of the best projects in Central Ohio this year and learn about the challenges the teams faced during construction! We will also be installing next term's Board of Directors for the ASHE Central Ohio Section and you will have a chance to vote for this year's Peer's Choice Award winner.

This presentation will provide 1 professional development credit hour.
