

AMERICAN SOCIETY OF HIGHWAY ENGINEERS

CENTRAL OHIO SECTION

Dear Member:

The Central Ohio Section of the American Society of Highway Engineers would like to extend an offer to your firm or organization to become or continue as a sponsor for the 2022 - 2023 fiscal year. Highway Club Corporate Sponsorship includes all of the opportunities listed below with a \$200 savings over the Individual Event Sponsorships. In order to allow our Section to provide a wider array of member events and provide greater exposure for our sponsoring firms, we needed to increase our level of sponsorship.

- ASHE will be hosting our annual Golf Outing in July 2023. Golf sponsors will have a sign prominently displayed at one randomly selected hole.
• Newsletter sponsors will be listed on the sponsorship page of the newsletter that we publish 2-4 times annually. If the newsletter is replaced or supplemented by another media, corporate sponsor's logos will be included in that media.
• Website sponsors will have their company logo and company contact information displayed on the Central Ohio website (www.CentralOH.ASHE.pro).
• ASHE welcomes sponsors for the Ethics Seminar and the January Capital Improvement Program luncheon. Sponsors are provided with one attendee registration for both events.
• Your organization's logo will be added to our Highway Club Corporate Sponsors banner which will be displayed at all ASHE events.

We hope that your firm will share our enthusiasm and support us this year with your sponsorship. Please complete this form, email it to jsoltesz@tooledesign.com and submit payment through the Eventbrite page here by October 31, 2022: https://www.eventbrite.com/e/central-ohio-highway-club-sponsorship-2022-2023-tickets-431408834437
